

2025 1040 Income Tax Return Annual Engagement Letter

Date: \_\_\_\_\_ Client Name(s): \_\_\_\_\_

We are pleased to confirm our understanding of the arrangements for your income tax return(s). This letter confirms the services you have asked our firm to perform and the terms under which we have agreed to do that work. Please read this letter carefully because it is important to both our firm and you that you understand what you can and cannot expect from our work. In other words, we want you to know the limitations of the services you have asked us to perform. If you are confused at all by this letter or believe we have misunderstood what you need, please call to discuss this letter before you sign it.

The Internal Revenue Service imposes penalties on taxpayers, and on us as return preparers, for failure to observe due care in reporting for income tax returns. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom we prepare tax returns to confirm the following arrangements.

We will prepare your 2025 Federal and Illinois Form 1040 and related Federal and Illinois 1040 income tax return schedules from information you furnish us. We do not use foreign third parties for preparation of your tax return. We will not audit or otherwise verify the data you submit although we may ask you to clarify some of the information. We may furnish you with tax organizers and questionnaires to help you gather and organize the necessary information for us, in order to keep our fee to a minimum. We are responsible for preparing only the returns listed previously, if you have taxable activity in a state other than that specifically listed you are responsible for providing our firm with all information necessary to prepare any additional applicable state(s) income tax returns as well as informing us of the applicable states. Any additional state income tax returns will be prepared as a separate engagement. If you have income tax filing requirements in a given state but do not file that return there could be possible adverse ramifications such as an unlimited statute of limitations, penalties, etc. If you would like us to investigate to determine each state where you may have an income tax filing requirement, please inform us.

You (the client) are responsible for determining your state and local tax filing obligations with respect to all state and local tax authorities including but not limited to income, franchise, sales and use, and excise taxes. You agree that we (the CPA firm) have no responsibility to research these obligations or to inform you of them. These services are available at additional cost. If you wish to engage us to perform these services, our firm requires that you sign an engagement letter detailing our agreement to perform such services prior to any such services being rendered.

If you have derived income from a foreign country, we will use the foreign country income information which you provide to calculate any applicable federal or state foreign tax credit or other affected federal or state income tax items. However, you are responsible for meeting any foreign country income tax or other foreign country reporting requirements.

We must receive all information to prepare for your return by April 1, 2026, to ensure that your return will be completed by April 15, 2026. If we have not received all of your information by April 1, 2026 and your return is not completed by April 15, 2026, you may be subject to late filing or late payment penalties. We do not file tax extensions for clients unless specifically requested to do so.

It is your responsibility to maintain, in your records, the documentation necessary to support the data used in preparing your tax returns, including but not limited to the auto, travel, entertainment, and related expenses and the required documents to support charitable contributions over \$250. If you have any questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and mailing them to the tax authorities. We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, nor for resulting taxes, penalties and interest.

We are responsible for preparing only the returns listed above. All others are to be prepared by you or other preparers. If there are additional returns you wish to prepare, such as sales tax, property tax, inheritance, gift or estate tax, other income tax returns for other entities, or other states' or cities tax returns please insert them here: \_\_\_\_\_. Our fee does not include responding to inquiries or examination by taxing authorities. However, we are available to represent you and our fees for such services are at our standard rates and would be covered under a separate engagement letter.

We will use our professional judgment in preparing your returns. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. We will adopt whatever position you request on your return so long as it is consistent with the codes, regulations, and interpretations that have been promulgated. If the Internal Revenue Service should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for any such additional penalties or assessments.

If we are asked to disclose any privileged communication, unless we are required to disclose the communication by law, we will not provide such disclosure until you have had an opportunity to argue that the communication is privileged. You agree to pay any and all reasonable expenses that we incur, including legal fees, that are a result of attempts to protect any communication as privileged. In addition, your confidentiality privilege can be inadvertently waived if you discuss the contents of any privileged communication with a third party, such as a lending institution, a friend, or a business associate. We recommend that you contact us before releasing any privileged information to a third party.

It is our policy to keep records related to this engagement for four years after which they are destroyed. However, Sixer Accounting Services does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

In the interest of facilitating our services to you, we may communicate by facsimile transmission or send electronic mail over the Internet. Such communications may include information that is confidential to your company. While we will use our best efforts to keep such communications secure in accordance with our obligations under applicable laws and professional standards, you recognize and accept that we have no control over the unauthorized interception of these communications once they have been sent and consent to our use of these electronic devices during this engagement.

From time to time during our relationship, you may seek our advice with regard to potential investments. We are not investment advisors unless specifically and in writing by separate agreement hired for that purpose. Accordingly, we suggest that you seek the advice of qualified investment advisors appropriate to each investment being considered. Unless otherwise specifically agreed to in a separate engagement letter or in a written addendum or amendment to this engagement letter signed by the parties, we will not advise you regarding the economic viability or consequences of an investment or whether you should or should not make a particular investment.
